

# The Brompton Bugle

## Achievements

And just like that, this academic year is nearly over! In this final edition we are going to celebrate some of our fantastic pupil achievements from Term 6. We will be recruiting a new team of junior journalists in September to join the Brompton Bugle team. If you are interested please speak to Miss Hofer. Have a great summer!

On Thursday 27th June the stage in the hall came bursting to life with the unique skills and talents of our **AMAZING ACTS!** Miss Skiggs and her team rejuvenated life back into...

**BROMPTON'S GOT TALENT** and the acts did not disappoint....

The first act, opening the show totally wowed the audience with their cool rapping skills—yes MC Millward and H to the O to the F to the E to the R to the C that's H\*O\*F\*E\*R C were spectacular on the mic. Also performing, were vocalists Ciana, Alicia, Aksha and Susannie who left the audience shellshocked with their beautiful vocals. In contrast, the most dangerous act of the night were the amateur stuntmen Rhys and Ethan who thrilled us all with their death defying chair balancing acts. Adding a sprinkle of humour to the evening were comedians William with his gut busting jokes and ventriloquist Max with his friend John who made everyone giggle. The audience's eyes were dazzled and minds blown by the sensational magic tricks of 4Mystic who performed some superb card tricks leaving everyone baffled as to how they did it! The Let it go Year 6 crew were the act of a lifetime with their dancing, singing and inflatable ball throwing skills! Our very own musical maestros Zacharius and Caitlin showed off their talents with Zacharius playing a **WORLD EXCLUSIVE PERFORMANCE** of his very own composition on the piano. Concluding the show was Ruby from Year 2 who ensured that the show finished in style with a bang. We are looking forward to next year already! Will you be auditioning?

The **WORLD EXCLUSIVE**  
performance by Zacharius

Max & John!

All of our fantastic performers!  
What a show!

# SPORTS

## ROUND UP

It's been a crazy busy term for sporting events. The school have been represented by some fantastic budding sportsmen and women and achieved some brilliant results.

## MYG FOOTBALL TOURNAMENT

On Thursday 6th June, 10 excited football stars from Brompton Westbrook arrived at the Anchorians Sports Ground. As we prepared ourselves for our first match we headed over to pitch 6. Pumped up and ready to go we took our positions on the pitch against our first opponents, Parkwood. In the first half Achi scored a cracking goal, but in the second half the opposition were threatening and equalised scoring a late goal just before the whistle. Next, we played Featherby, Luton, Swingate, The Academy of Woodlands, Maundene, Mierscourt and finally St William of Perth. During our last match Jamie scored an amazing goal which pushed us into the lead but an attacker managed to slip through our defence and score. In the last few seconds of the match Tabitha was one-on-one with the goalie and took a bold but unlucky shot, leaving the final match 1-1.

We came 24th out of the 56 competing schools.

Our superb team: Yara, Tabitha, Emily, Jamie, David, Emmanuel, Kyle, Achiswusa and Zack.

## HSSP INFANT GAMES

On Thursday 11th July, 10 children from Year 1 and 2 headed over to the Howard school to participate in the HSSP Infant Games and Change4Life Festival. There were lots of skills stations going on at once and children got to 'have a go' and receive some basic coaching in: football, tennis, and other fitness activities like the Firefighter Fit Kids. There was also a Change4Life/nutrition stand which helped to educate children in basic nutrition (thanks to support from the Medway Public Health Team). The Festival was run by community sports coaches from local sports clubs, student sports leaders and HSSP staff.

Ethan and Finley in Year 2 both said they had a great day and that the firefighter fit station was their favourite. Each child received a T-shirt, a goody bag and a certificate for taking part.

# MYG ATHLETICS

---

Our **HIGHEST EVER** PLACING at any competition **EVER** was successfully achieved by the outstanding athletes who represented our school at the **MYG Athletic event**. Emily and Rares got us off

to a fantastic start in the mini marathon, with Emily placing 6th out of 55 schools! She then continued her super start by coming 1st overall in the long jump!

Cianne and Charlie were spectacular during the chest pass contest and Emily and Emmanuel flew the discus through the air scoring highly. In the vertical jump David managed a whopping 47cm just pipped by Cianne who jumped 48cm.

Rares and Moyo aced the speed bounce scoring 63 and 65 bounces in total. In the field events Rares and Hannah threw the cricket ball and Amelia and David the javelin. All managed to launch themselves into the top 6 places. During the last event of the morning Amelia and Charlotte came joint 3rd for the Hop, skip and jump.

After a well deserved lunch break it was onto the sprints and relay races. Cianne won her 60m sprint and Emmanuel came 2nd. Hannah and David both came 2nd in their 200m races.

What a terrific team! Moyo, Amelia, Rares, Emily, Hannah, Cianne, David, Charlie, Emmanuel

In the points relay Cianne got us off to a flying start, Charlie caught up great strides and time with the rest of the group and Emily and David ensured that the gap with the other schools just kept on getting bigger.... So much so that BROMPTON WON THE POINTS RELAY!!

Emmanuel is potentially the next Zola Budd as he ran the next relay race without any shoes on! Along with Amelia, Rares and Hannah they stretched out in front making it ANOTHER FIRST PLACE for Brompton!

**Will we be able to top our placing next year? The pressure is on!**

# GUITAR & TRUMPET FESTIVALS

---

On 13th and 14th June some of our children who have been learning to play the trumpet and guitar went to The Brook Theatre to perform to a sold out audience.

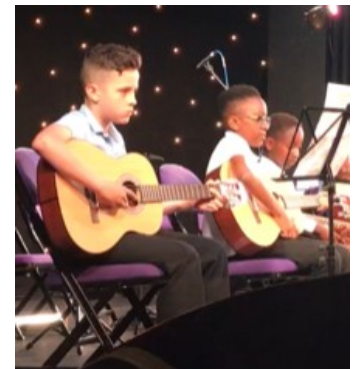

Our terrific trumpet players parped their way to produce a fantastic performance. Having only started to learn the instrument in September 2018 they have made amazing progress.

## TYLER and TEDDY wrote this report about the guitar festival...

During the celebration we played a series of songs. Chibueze started off the whole concert with a solo performance of God save the Queen. Next we all joined in to perform the soundtrack from Pirates of the Caribbean. Teddy then took to the stage with his magical solo of the Harry Potter theme tune.

Teddy said *"It was great to finish off my guitar lessons with such a good concert. I hope that when I move into Year 7 in September someone else who will enjoy the lessons will take my place."* He added *"Darren is a fantastic teacher and he has made learning the guitar fun and rewarding. I am really hoping that I get the opportunity to continue to play at secondary school."*

Tyler said *"I really enjoyed the feeling of being on stage and thoroughly enjoyed performing to all of the parents."*

Other schools who attended were Byron, Mierscourt and Oasis. Byron and Brompton are the only schools who had guitarists, the rest have all learnt to play the ukulele.

Darren the schools guitar teacher said *"I am really proud of all of the guitar players this year. Teddy and Chibueze did a fantastic job with their solos and demonstrated amazing confidence to play in front of such a large audience. Extra credit goes to all the pupils as they missed the morning rehearsals because of their sports day, so it was straight in and straight onto the stage!"*

# In the Spotlight

## Interview with Mr Waghorn who is joining the BW team

REPORTED BY CHARLOTTE

Mr Waghorn will be joining the Brompton Westbrook teaching team in September. We interviewed him to get to know him better...

**What are you most looking forward to?**

I am really looking forward to having my own class, working with the children and becoming part of the teaching team and getting stuck in with some new topics I haven't taught before.

**What was your biggest highlight of being a student at BW?**

Beating Mr Fright in the teachers race at sports day! He did NOT see me coming up behind him before I overtook him!

**What is your favourite lesson to teach ?**

I love to teach maths and I have been studying it as my specialist subject at university. It was great to teach some of the Year 6 pupils and help to prepare them for their SATs tests.

**What do you enjoy doing outside of school?**

I enjoy drawing and anything crafty to relax as well as going running on a regular basis.

**What are you hoping to achieve next year?**

I am hoping to remain as the teacher champion for the sprint at sports day and I am incredibly excited to have my own class and be part of the lovely team at Brompton Westbrook.

WITH THE SUMMER HOLIDAYS JUST AROUND THE CORNER WHAT HAVE YOU GOT PLANNED? ACTIVITY MAESTRO **ARSHIPREET** HAS BEEN INVESTIGATING SOME FREE AND EASY CHALLENGES TO KEEP YOU BUSY!

1: [The One Million Step Challenge for Diabetes UK.](#)

Why not take a giant step for people with diabetes and a million little ones for yourself by taking on the One Million Step Challenge? If you can manage 10,000 steps a day from July— September and raise money whilst doing so then the money raised will go straight to Diabetes UK who are trying to find a cure for diabetes. To find out more check out their website <https://step.diabetes.org.uk/>

2: [The Summer Reading Challenge.](#)

The Summer Reading Challenge runs across all libraries in the UK. It starts on 13th July and ends on 14th September. Sign up at your local library, then read six library books of your choice to complete the Challenge. There are exclusive rewards to collect along the way, and it's FREE to take part! To find out more check out their website <https://summerreadingchallenge.org.uk/>

3: [The Memory Walk.](#)

The Memory Walk is a walk to raise awareness and funds for the charity Alzheimer's Society. With every pound raised helping to fund new research, providing precious support to more people, and bringing us closer to a world without dementia it is a great cause. You can even organise your own walk! To find out more check out their website <https://www.memorywalk.org.uk/>

4: [Beach fun.](#)

When you are at the beach, why not create some family challenges? One of my favourites is the best sandcastle maker. Rules: In 5 mins the contestants have to make the biggest and best sandcastle. Ask your parents to be the judges so they can decide whose is the best! The prize is up to you!

5: [Arts & Crafts Challenges.](#)

Do you like arts and crafts? Then this challenge is made for you! Have you ever dreamed of making your own flag? Well this game allows you to make your own flag and play a fun game! Each player (minimum of 2 people) has to have a piece of paper and a pencil. You need a dice.

Rules: First each player needs to roll a 1 to get a piece of paper. Next you need a 2 so that you can draw a skull outline. After that you need to roll x2 3s so you can draw the eyes. Then you need a 4 to draw the nose. Next you need a 5 to draw the mouth. Finally you need x2 6s for the crossbones.

The first person to finish their flag is the winner.

Keep updated during the summer holiday photos with our Brompton Westbrook twitter page! @BWPrimary
